

2022 Fundraising Opportunities

Fundraising is such an important part of the fund and we can't begin to express our appreciation for each and every fundraiser held each year. Whether you're holding a personal fundraiser or your business/organization is hosting a fundraiser, we would love to recognize your efforts to support KSF.

While we do seek out fundraisers to host throughout the year, we also love to recognize those who choose KSF as their chosen charity to support through their own events. Regardless of how your fundraiser is created, let us help to promote it!

Personal Fundraisers:

How we can help promote your fundraiser:

Please contact us and we would love to help advertise your fundraiser. If your fundraiser is open to the public, we can add it to our website event calendar and website fundraising page.

How we'd love to recognize your donation:

We would love to recognize your fundraising donation on our website fundraising page by listing your name on our website fundraising page for the remainder of the calendar year. We will also list your name as a fundraising donor on our next quarterly newsletter.

Business/Organization Fundraisers:

How we can help promote your fundraiser:

Please contact us and we would love to help advertise your fundraiser. We will create a graphic to share on our social media, website event calendar and fundraising page, and quarterly newsletter (if published prior to event).

How we'd love to recognize your donation:

We would love to recognize your fundraising donation on our website fundraising page for the remainder of the calendar year. We will also include your business/organization name and logo on our next quarterly newsletter. We always enjoy seeing photos of KSF fundraisers and would love to share a photo or create a graphic to share on our social media to say thank you, we would be sure to tag your business/organization.

Please let us know about your Fundraisers ASAP

The more time we have to help advertise the better!
